Allan Vera & Greg Taranto, CPA and Taranto & Associates are not affiliated with AXA Distributors, LLC. Variable annuities are long-term financial products designed for retirement purposes. There are contract limitations and fees and charges associated with annuities, which include, but are not limited to, mortality and expense risk charges, sales and withdrawal charges and administration fees. A "living benefit rider" is optional and contains an additional fee. A financial professional can provide cost information and complete details. Withdrawals from annuities are subject to normal income tax treatment and, if taken prior to age 59½, may be subject to an additional 10% federal income tax penalty.

You should consider the charges, risks, expenses and investment objectives carefully before purchasing a variable annuity.

For a prospectus containing this and other information, please contact your financial professional. Please read it carefully before investing or sending money.

Variable annuities are issued by AXA Equitable Life Insurance Company (NY, NY) and are co-distributed by affiliates AXA Advisors, LLC AXA Distributors, LLC. None of the companies noted on this flyer provide tax or legal advice.
